**Dear students,**

With regard to the emergency situation in Bulgaria, the recommendations of the Ministry of Health related to the COVID-19 viral infection pandemic, Order РД-01-20/15.01.2021 г. of the Minister of Health and Order PK36-102/19.01.2021 of the Rector of MU-Sofia, I give the following **orders**:

I. The application of anti-epidemic measures for prevention of COVID-19 disease in FDM-Sofia to be continued **until 31.01.2021**.

**II. Certification of the disciplines studied in the winter semester of the Academic year 2020/2021 will be performed remotely, in an electronic environment by the respective departments.** The practical and theoretical training will be recognized only to students who have participated in the distance education and presented answers to all assigned tasks in the specific subjects, but not later than January 22, 2021.

**III. Semester examinations** – the exams for each subject, medical and special, for all students will be performed as follows:

**1. The examinations for each of the disciplines will be held in one day for the whole course according to a schedule prepared beforehand.**

2. The examination protocols will be sent beforehand to the e-mails of the departments.

3. The access to and exit of the building of FDM - Sofia will be done via designated places, in compliance with the anti-epidemic requirements for disinfection and distance.

4. The examinations will be conducted in the lecture halls of FDM in compliance with all anti-epidemic requirements of the Health Authorities in the country.

5. According to a schedule prepared beforehand, the semester exams start at 8.00 am, 11.00 am and 2.00 pm. The distribution of students in the auditoria will be published on the FDM-Sofia website up to 25.01.2021.

6. The students take their places in the auditoria only after **presenting a document of identity, student book and verification in the examination protocol.**

7. The examination is **written and will be held within 90 minutes.**

8. Each department determines the number and type of the tasks - written questions, test or a combination of both.

9. One student from each shift draws the exam questions.

10. **The students arriving from abroad** - entering Bulgaria and sitting for exams should be in compliance with the conditions for entry and residence in the country, determined by Order № ПД-01-719 / 20.12.2020 of the Minister of Health.

11. Check up and evaluation of the written work:

- Written work will be checked up and evaluated **within one week following the examination date.**

- By decision of the Head of Department check up and evaluation of submitted papers for each course may be distributed among several professors.

- **Students should be informed about the results of the exams through access to their own data in the Integrated Information System of the MU-Sofia:** <https://portal.mu-sofia.bg/>

IV. 1. Attendance training compensating programme for 2<sup>nd</sup> and 3<sup>rd</sup> year students is planned, additional information for which will be provided by January 31, 2021.

2. The practical classes for 6th year students are resumed from 20.01.2021, with strict observance and control over the introduced anti-epidemic measures, safety distance and reduced number of students and patients in training rooms.
